EMAIL YOUR TICKETS VIA TICKET FORWARDING

NOW AVAILABLE!

Once you have received your actual tickets in the mail, *My Broadway/L.A. Account Manager* makes it possible for you to forward you tickets to virtually anyone up to two hours before the performance. This service allows you to email tickets to friends, family or clients when you can't attend. Simply log in to your personal account and select the ticket or group of tickets you wish to send, enter the recipient's information and select Forward. It's so easy – you don't even have to have the tickets in hand. Avoid the hassles of overnight and in-person delivery and start enjoying the benefits of this new service.

How does it work? Each of your season tickets carries a unique barcode, ensuring that they are authentic. During the forwarding process, the barcode on your original ticket is cancelled and a new one issued electronically. The recipient is emailed a new ticket with a unique barcode via TicketFast® that can be printed using any standard printer.

What is the fee? Ticket forwarding is an inexpensive alternative to overnight delivery and courier services. For a nominal fee of only \$2 per ticket, you can enjoy the convenience of this innovative technology that provides a secure alternative method to ensure your season tickets get used.
